The Centro Studi sul Teatro Classico of the University of Turin promotes, as part of the educational offer provided in AY 2018/2019, a cycle of monthly seminars dedicated to Professors, Reserarchers and postgraduate students of Italian and foreign universities concerning the research in ancient fragmentary drama, Greek and Latin. The seminars will be held on the premises of the School of Humanities of the University of Turin from October 2018. The papers considered deserving, at the discretion of the Scientific Committee, will be published in the volume of the scientific series Frammenti sulla Scena directed by Prof. Francesco Carpanelli.

The Centro Studi sul Teatro Classico will issue a certificate of participation to all those who will request it (at the e-mail adress: teatro.classico@unito.it ^[3]).
